WAL★MART
ALWAYS LOW PRICES

Always.

Dear Local Business,

This year the **United Ways of Perry County and Hancock County** are helping all children get a good start to the school year by partnering with Wal-Mart and many volunteer organizations to coordinate "Stuff the Bus", an opportunity that will provide needy students with proper school supplies and personal hygiene products to assist each of them with their studies and help build self-esteem.

Throughout these summer months, we are asking employee groups and service organizations to volunteer to contribute and collect donations of new school supplies for local students from low-income families.

All children look forward to arriving on the first day of school with new notebooks, backpacks, and pencil boxes, but it's a different story for unfortunate families who cannot afford these items. ***That's where your organization can help.***

Collect school supplies and personal hygiene products and drop them off at Tell City Wal-Mart on opening day, ***Thursday, July 17 from 5:00 pm – 8:00 pm or Friday, July 18 or Saturday, July 19 from 8:00 am-9:00 pm.***

There are school supply lists at Wal-Mart but keep in mind that any products for school and personal care are acceptable and greatly appreciated.

Call us today at **270-927-8841** to sign up your organization as a "Stuff the Bus" partner or if you would like more information on this program.

Sincerely,
United Way of Hancock County
